Each year, the Arizona State Parks Board reviews its fee structure and approves adjustments for the ensuing calendar year. In its analysis, Arizona State Parks reviews fee structures of surrounding states; reviews operating and development costs of the State Park System; reviews the public demand for park services and subsequent impacts of visitor use on park resources. State Parks actively pursues public input into the fee structure through regional meetings throughout the state.  
  
At the February 15, 2012 Board meeting, the Agency's 2011 Fee Schedule with the proposed fee changes was presented to the Board for consideration. The Board approved the changes as recommended, effective April 1, 2012.
